ASHA CERTIFICATION & RELATED INFORMATION

Departmental signature on forms

- This is done by the director of the MA program, Dr. Faroqi-Shah.
- Fill out your ASHA application (http://www.asha.org/uploadedFiles/2005-SLP-CCC-Application.pdf) and Knowledge and Skills Acquisition (KASA) form FULLY and check it for accuracy. We have a model form that uses University of Maryland courses as examples to guide you in filling out your form (see the MA student web site http://hesp.umd.edu/content/knowledge-and-skills-acquisition-kasa-form-and-instructions). PLEASE READ the instructions and the sample before filling out the application. Remember that some of your knowledge and skills may have been achieved through your candidacy research or practicum, not just in individual classes.
- ASHA CCC application forms are available at the ASHA web site (www.asha.org).
- The Department keeps a permanent copy of the ASHA application in your files for your future employment inquiries and re-accreditation audits. ASHA does NOT keep a copy of the application. Please fill it out completely and neatly. Dr. Yasmeen Faroqi-Shah will NOT sign off on incomplete applications, even though only the end pages must be submitted to ASHA. This means you must fill out all coursework and clock hour information. Forms will not be signed without this information.
- You must submit these forms TOGETHER WITH the other pages of the ASHA Certification application, which require Dr. Yasmeen Faroqi-Shah’s signature.

Praxis exam

- The praxis exam can be taken any time before you apply for ASHA certification. Students typically take this during their final semester in the program. https://www.ets.org/praxis/asha/requirements
- Please list the University of Maryland as a recipient of your NTE ASHA exam scores. Please use the number R0131. There are additional codes for University of Maryland, but your report will not come to the Department unless you use this code.

Contact Information

- Please provide the department with your forwarding address if you will be moving after graduation, as well as your non-umd email address. We encourage you to join the HESPTerps email list to keep up with us.

Clinical Fellowship Information

- Please notify the department of your CFY site as soon as you know it. This information is collected both by ASHA accreditation and by the University to demonstrate program outcomes.
