

Curriculum Vitae

Notarization. I have read the following and certify that this *curriculum vitae* is a current and accurate statement of my professional record.

Sandra Gordon-Salant

Signature

Date 5.8.2023

I. Personal Information

I.A. Name and Contact info:

Gordon-Salant, Sandra (UID: 101268675)
Department of Hearing and Speech Sciences
7251 Preinkert Drive
University of Maryland
College Park, MD 20742
sgsalant@umd.edu
<https://hesp.umd.edu/facultyprofile/Gordon-Salant/Sandra>

I.B. Academic Appointments

1975 Research Fellow, Office of Demographic Studies, Gallaudet College
1977-80 Graduate Research and Teaching Assistant, Northwestern University
1980 Lecturer, Program in Audiology, Northwestern University
1981-1996 Assistant to Associate to Full Professor, HESP, UMCP
1991 - 2000 Guest Scientific Investigator, Longitudinal Studies Branch,
 Gerontology Research Center, National Institute on Aging, NIH
1992 – Faculty, Neuroscience and Cognitive Science (NACS) program, UMD
2015 - Faculty, Language Science Center (LSC), UMD

I.C. Administrative Appointments at UMD

2002 - 2022 Director, Doctoral Program in Clinical Audiology, UMCP
2014 - 2017 Director, Graduate Studies, HESP, UMCP

I.D. Other Employment

1979-80 Clinical Audiologist, Private Practice, Park Ridge, IL
1978-79 Clinical Audiologist, Oak Park Hearing and Speech Center, Oak Park, IL
1976-77 Clinical Audiologist, Gallaudet College, Washington, D.C.

I.E. Education

1974 B.S. (Speech Pathology) SUNY Albany, Albany, NY
1976 M.A. (Audiology) Northwestern University, Evanston, IL
1981 Ph.D. (Audiology) Northwestern University, Evanston, IL

I.G. Professional Certifications, Licenses, and Memberships

Certified by the American Speech-Language-Hearing Association (CCC-A), since 1977

Licensed by the Maryland State Board of Audiologists, since 1981

Fellow of the American Academy of Audiology, since 1991

Member of: American Speech-Language-Hearing Association (ASHA)
Acoustical Society of America
Association for Research in Otolaryngology
American Auditory Society
American Academy of Audiology

II. Research, Scholarly, and Creative Activities

II.A.2. Books edited.

Gordon-Salant, S., & Frisina, R. (Eds.) (2010). *The Aging Auditory System: Perceptual Characterization and Neural Bases of Presbycusis*. Springer Science + Business Media, LLC.

II.B.1. Chapters in books

1. Gordon-Salant, S. (1987). Basic hearing evaluation. In Mueller, H. G. & V. C. Geoffrey (Eds.), *Communication Disorders in Aging*, Gallaudet College Press.
2. Gordon-Salant, S. (1991). Audiological Assessment: Behavioral. In Ripich, D. (Ed.), *Handbook of Geriatric Communication Disorders*, Pro-Ed, p. 367-394.
3. Gordon-Salant, S. (1991). Special amplification considerations for elderly individuals. In Studebaker, G., Bess, F., & Beck, L. (Eds.), *The Vanderbilt Hearing Aid Report - II*, York Press, Inc., p. 245-259.
4. Brant, L.J., Metter, E.J., Gordon-Salant, S., Pearson, J.D., & Fozard, J.L. (1992). Modifiable factors affecting age-related hearing loss. In Bouma, H., & Graafmans, J.A.M. (Eds.). *Gerontechnology Series: Studies in Health Technology and Informatics*, 3, 265-270.
5. Fozard, J.L., Schieber, F., Gordon-Salant, S., & Weiffenbach, J. (1993). Sensory and perceptual considerations in designing environments for the elderly. *Life-span Design of Residential Environments for an Aging Population*. Washington, DC: American Association of Retired Persons.
6. Gordon-Salant, S. (1996). Hearing, In Birren, J.E. (Ed.), *Encyclopedia of Gerontology: Age, Aging, and the Aged*, San Diego: Academic Press, Inc., 643-653.
7. Fozard, J.L. & Gordon-Salant, S. (2001). Sensory and perceptual changes with aging. In Birren, J.E. & Schaie, K.W. (Eds.), *Handbook of the Psychology of Aging, Fifth Edition*, San Diego: Academic Press, Inc., 241 - 266.

8. Gordon-Salant, S. (2002). Hearing. In Ekerdt, D.J., Applebaum, R.A., Holden, K.C., Post, S.G., Rockwood, K., Schulz, R., Sprott, R.L., & Uhlenberg, P. (Eds.). *The Encyclopedia of Aging*, New York: Macmillan Reference USA.
 9. Fitzgibbons, P.J., & Gordon-Salant, S. (2010). Behavioral studies with aging humans – psychoacoustics. In Gordon-Salant, S., & Frisina, R. (Eds.). *The Aging Auditory System: Perceptual Characterization and Neural Bases of Presbycusis*. NY: Springer.
 10. Gordon-Salant, S., & Frisina, R. (2010). Introduction and overview. In Gordon-Salant, S., & Frisina, R. (Eds.). *The Aging Auditory System: Perceptual Characterization and Neural Bases of Presbycusis*. New York: Springer.
 11. Gordon-Salant, S. (2014). Aging, hearing loss and speech understanding: Stop shouting, I can't understand you. In Popper, A., & Fay, R.R. (Eds.). *Perspectives on Auditory Research*, New York: Springer, pp. 211-228.
 12. Gordon-Salant, S., Wingfield, A., & Shader, M. (2020). Age-related changes in speech understanding: Peripheral vs. cognitive influences. In Helfer, K., Bartlett, E., Popper, A., & Fay, R.R. (Eds.). *The Aging Auditory System, 2nd Edition*. New York: Springer. pp. 199-230.
- II.C.1. Refereed Journal Articles (* indicates student author)
1. Gordon-Salant, S., & Wightman, F.L. (1983). Speech competition effects on synthetic stop-vowel perception by normal and hearing-impaired listeners. *Journal of the Acoustical Society of America*, 73, 1756-1765.
 2. Gordon-Salant, S. (1984). Effects of reducing low frequency amplification on consonant perception in quiet and noise. *Journal of Speech and Hearing Research*, 27, 483-493.
 3. Gordon-Salant, S. (1985). Phoneme feature perception in noise by normal-hearing and hearing-impaired listeners. *Journal of Speech and Hearing Research*, 28, 87-95.
 4. Gordon-Salant, S. (1985). Recognition of digitized CV syllables in multitalker babble. *Audiology*, 24, 241-253.
 5. Gordon-Salant, S. (1985). Some perceptual properties of consonants in multitalker babble backgrounds. *Perception and Psychophysics*, 38, 81-90.
 6. Gordon-Salant, S. (1986). Effects of aging on response criteria in speech recognition tasks. *Journal of Speech and Hearing Research*, 29, 155-162.

7. Gordon-Salant, S. (1986). Recognition of natural and time/intensity altered CVs by young and elderly subjects with normal hearing. *Journal of the Acoustical Society of America*, 80, 1599-1607.
8. Fitzgibbons, P. J. & Gordon-Salant, S. (1987). Temporal gap resolution in listeners with high frequency sensori-neural hearing loss. *Journal of the Acoustical Society of America*, 81, 133-137.
9. Gordon-Salant, S. (1987) Effects of acoustic modification on consonant perception by elderly hearing-impaired subjects. *Journal of the Acoustical Society of America*, 81, 1199-1202.

II.J. Sponsored Research and Programs – Administered by the Office of Research Administration

II.J.1. Grants

1. American Sp-Lang-Hearing Foundation/Psi Iota Xi Postdoctoral Research Award, 1982-83.
2. National Institute on Aging, NIH, Small Grant Award (PI: S. Gordon-Salant), 1984-85, \$15,000.
3. National Institute on Aging, NIH, "Auditory temporal processes, speech perception and aging". (PI: S. Gordon-Salant, Award Period: 3/15/91 - 3/14/96; Total costs for grant period: \$798,042.)
4. National Institute on Aging, NIH, Minority Research Suppl. to "Auditory temporal processes, speech perception and aging" (PI: S. Gordon-Salant, Awarded: 11/1/92 - 2/28/94; Total costs: \$53,314).
5. NIH, Training Grant on comparative hearing and evolution of hearing (PI: A. Popper; S. Gordon-Salant - core faculty, Award Period: 7/1/94 - 6/30/99; Total costs: \$405,000).
6. National Institutes of Health, Grant for Research Conferences co-sponsored with the American Speech-Language-Hearing Association (PI: Fred Spahr; S. Gordon-Salant is a member of the program committee, Award Period: 11/94 - 11/97).

7. National Institute on Aging, NIH, "Auditory temporal processes, speech perception and aging" (PI: S. Gordon-Salant, Award Period: 12/1/96 - 11/30/01; Total costs: \$1,152,235).
8. National Institute on Deafness and Other Communication Disorders, NIH, Ascertainment of families segregating hereditary auditory temporal processing deficits. (Prof. Serv. Contract; PI: S. Gordon-Salant, Total costs: \$25,297; award period: 1/1/98 - 6/30/01).
9. National Institutes of Health, Training Grant on comparative hearing and evolution of hearing, Core Faculty Member, (PI: A. Popper, Award Period: 7/1/99 -6/30/04; Total costs: \$500,000).
10. National Institute on Deafness and Other Communication Disorders, NIH, Ascertainment of families segregating hereditary auditory temporal processing deficits. (Professional Services Contract; PI: S. Gordon-Salant, Award period: 2/1/01 – 12/31/05; Total costs: \$25,000).
11. National Institute on Deafness and Other Communication Disorders, P-30 Core Center Grant (P30 DC04664), Participating Member (PI: R. Dooling, 2002 - 2007, \$1,800,00).
12. National Institute on Aging, NIH, Auditory temporal processes, speech perception and aging (PI: S. Gordon-Salant, 2002 - 2007, Total costs: \$1,571,387, funded as a MERIT award).
13. MBRS (NIGMS), "University of the District of Columbia Biomedical Research Program," G.Eng (PI), Subproject: "The effect of amplification, audibility, and frequency resolution on speech recognition" Randolph, P. (Sub-project PI), Awarded: 2001 – 2005, role: Consultant.
14. NIH, Training Grant on comparative hearing and evolution of hearing (T32- DC00046), Core Faculty Member, (PI: A. Popper, Award Period: 7/1/04 -6/30/14; Total Annual costs: \$500,000).
15. National Institute on Deafness and Other Communication Disorders, P-30 Core Center Grant, Participating Member (PI: R. Dooling, 2007 - 2013, \$1,800,00).
16. National Institute on Aging, NIH, Auditory temporal processes, speech perception and aging (PI: S. Gordon-Salant, 2007 - 2012, Total costs: \$1,571,387, MERIT award).
17. National Institute on Aging, NIH, Auditory temporal processes, speech perception and aging, Supplement to Promote Diversity in Health-Related Research (PI: S. Gordon-Salant, Grad Student: Sarah A. Friedman, Award period: 9/1/06 – 8/31/08, total costs: \$92,966).
18. National Institute on Deafness and Other Communication Disorders, Multi-site study of the efficacy of speech perception training for hearing-aid users (Subcontract PI: S. Gordon-Salant; PI: C. Watson, Award Period for Subcontract: 7/1/13 – 6/30/16, total subcontract costs: \$240,020).

19. National Institute on Aging, NIH, Auditory temporal processes, speech perception and aging, Merit Supplement to Promote Diversity in Health-Related Research (PI: S. Gordon-Salant, Student: Jonathan Mishoe, Award Period: 6/1/2010 – 8/15/2010, total costs: \$5,000)
20. National Institute on Aging, NIH, Auditory temporal processes, speech perception and aging (PI: S. Gordon-Salant, 2012-2013, Bridge funding, July, 2012 – June, 2013; Total costs \$107,224).
21. National Institute on Aging, NIH, R01: Auditory temporal processes, speech perception and aging (PI: S. Gordon-Salant). Funded, July 1, 2013 – June 30, 2019; Total costs: \$1.67 million.
22. National Institutes of Health, T32: (Training Grant on Comparative and Evolutionary Biology of Hearing,”(co-PI’s: S. Gordon-Salant & C. Carr), Award Period: 7/1/15 -6/30/20; Total costs: \$1,719,675.
23. National Institutes of Health. R01: “Temporal processing and speech understanding in older cochlear implantees” (PI: M. Goupell; Co-Investigator: S. Gordon-Salant), Award Period: 9/1/2016-8/31/2021; Total costs: \$1,843,572.00. (funded)
24. National Institutes of Health, NIDCD. R03: “Understanding and indexing the neural bases of listening effort.” (PI: S. Kuchinsky; SGS role on project: Collaborator), Award Period: 7/1/2016 – 6/30/2021 (funded).
25. National Institutes of Health, NIA. P01: “Neuroplasticity in auditory aging.” (PI: S. Gordon-Salant); Award Period: 9/15/2017 – 5/31/2022. Total costs: \$8,222,000 (funded).
26. National Institutes of Health, NIDCD, T32: Training Grant, “Comparative and Evolutionary Biology of Hearing” (Gordon-Salant & Carr, co-PIs; Award Period: 7/1/2020 – 6/30/2021. Bridge funding. Total costs: \$140,000 (awarded).
27. National Institutes of Health, NIA: Diversity Supplement to P01AG055365, “Neuroplasticity in auditory aging.” (PI: S. Gordon-Salant); Award Period: 9/15/2020 – 5/31/2022. Total costs: \$135,675 (funded).
28. National Institutes of Health, T32DC000046: Training Grant, “Comparative and Evolutionary Biology of Hearing” (Gordon-Salant & Carr, co-PIs; Award Period: 7/1/2021 – 6/30/2026. Total costs: 2,366,975 (funded).
29. National Institutes of Health, NIDCD, K01: “Neural Signatures of Enhanced Central Auditory Gain in Hyperacusis” (PI: K. Jahn, Mass Eye and Ear Infirmary/ SGS Role: Co-mentor), 7/1/2021 – 6/30/2024. Total costs: \$414,668 (Funded).

30. National Institutes of Health, NIDCD, R01: “Peripheral and central contributions to auditory temporal processing deficits and speech understanding in older cochlear implantees” (PI: M. Goupell, SGS Role: Co-Investigator), 4/1/2022 – 3/31/2027. Total costs requested: \$3,182,112 (funded)
31. National Institutes of Health, NIA. P01: “Neuroplasticity in auditory aging and mild cognitive impairment.” (Multi PIs: S. Gordon-Salant, S. Anderson, J. Simon); Award Period: 9/1/2017–5/31/2027. Total direct costs requested: \$12,805,000 (pending funding).
32. National Institutes of Health, NIDCD, R25. “UMD-REACH (Research Equity and Access in Communication and Hearing).” (co-PIs: R. Newman and M. Goupell, SGS Role: Participating Faculty); Award Period: 8/15/2023-8/14/2028. Total direct costs requested: \$1,248,941 (awarded)

II.J.2. Contracts

1. Creare, Inc. (subcontract to Walter Reed National Military Medical Center). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2012-2013, funded). Total costs awarded: \$62,742.
2. Creare, Inc. (subcontract to WRNMMC). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2013 – 2014). Total costs awarded: \$67,600.
3. Creare, Inc. (subcontract to WRNMMC). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2014 – 2015). Total costs awarded: \$67,600.
4. Creare, Inc. (subcontract to WRNMMC). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2015 – 2016). Total costs awarded: \$67,600.
5. Creare, Inc. (subcontract to WRNMMC). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2016 – 2017). Total costs awarded: \$58,451.
6. Creare, Inc. (subcontract to WRNMMC). Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2017-2018). Total costs: \$86,115.
7. Henry Jackson Foundation, Inc. (subcontract to WRNMMC). Functional impairment in service members with normal auditory thresholds (PI of Subcontract: S. Gordon-Salant, 2017-2018). Total costs for year 1: \$57,738; total costs for 3 years: \$179,235. (funded)
8. Creare, Inc. (subcontract to WRNMMC). Mobile Applications for Aural Rehabilitation – Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2018-2019). Total costs awarded: \$94,827

9. Creare, Inc. (subcontract to WRNMMC). Mobile Applications for Aural Rehabilitation – Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2019-2020). Total costs awarded: \$103,768.
 10. Creare, Inc. (subcontract to WRNMMC). Mobile Applications for Aural Rehabilitation – Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2020-2021). Total costs awarded: \$103,768.
 11. Creare, Inc. (subcontract to WRNMMC). Mobile Applications for Aural Rehabilitation – Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2021-2022). Total costs awarded: \$111,200.
 12. Creare, Inc (subcontract to WRNMMC). Mobile Applications for Aural Rehabilitation – Functional Hearing Evaluation for Military Occupational Specialties (PI of Subcontract: S. Gordon-Salant, 2022-2023). Total costs: \$111,200. (funded)
- II.J.3. Other (UMD awards)
1. Biomedical Research Support Award, University of Maryland, 1981-83.
 2. General Research Board Award, University of Maryland, 1985, 1988.
 3. Scholarship Incentive Award, Division of Behavioral and Social Sciences, University of Maryland, 1985, 1986, 1988, 1990.
 4. ADVANCE Seed Grant, University of Maryland, “Speech processing algorithms for elderly Listeners with hearing loss. (role: co-PI with Carol Espy-Wilson; 5/2012-4/2013; Total costs: \$20,000).
 5. Tier II Grant, Neuroplasticity and Auditory Aging, University of Maryland (PI: S. Gordon-Salant, 6/15/15 – 6/14/16); Total costs: \$75,000
 6. Tier IV Grant, Neuroplasticity and Auditory Aging, University of Maryland (PI: S. Gordon-Salant, 1/15/18 – 5/22/22): total costs requested awarded: \$270,666.
 7. Teaching Innovation Grant, University of Maryland (co-PIs: S. Gordon-Salant, S. Anderson, E. Hoover), summer, 2020).
- II.P. Research Fellowships, Prizes, and Awards.
1. Fellow, American Speech-Language-Hearing Association (1989).
 2. James F. Jerger Award for Outstanding Career in Research, American Academy of Audiology (2009).
 3. Fellow, Acoustical Society of America (2011).
 4. Recognized as an outstanding researcher in the College of Behavioral and Social Sciences, University of Maryland (2013).
 5. Recipient of the 2013 Kawana Award for lifetime achievement in publications from the American Speech-Language-Hearing Association (November, 2013).
 6. Honors, American Speech-Language-Hearing Association (2017).

III. Teaching, Extension, Mentoring, and Advising

III.A. Courses taught in the last five years

i. Undergraduate

HESP 311 (Anatomy, Physiology, & Pathology of the Auditory System)

Spring, 2017, enrollment: 40

Spring, 2019, enrollment: 51

HESP 499 (Independent Study: Topics in Hearing and Speech Sciences)

Fall, 2017, enrollment: 1

Spring, 2018, enrollment: 1

Fall, 2018, enrollment: 2

Spring, 2022, enrollment: 1

ii. Graduate

HESP 606 (Basic Hearing Measurements)

Fall, 2017, enrollment: 7

Fall, 2018, enrollment: 8

Fall, 2019, enrollment: 11

Fall, 2020, enrollment: 9

HESP 636 (Geriatric Audiology)

Spring, 2018, enrollment: 13

Spring, 2020, enrollment: 14

Spring, 2022, enrollment: 18

HESP 849 (Capstone Research I)

Fall, 2017, enrollment: 4

Fall, 2018, enrollment: 3

Fall, 2019, enrollment: 2

Fall, 2020, enrollment: 1

Fall, 2021, enrollment: 3

Fall, 2022, enrollment: 1

HESP 859 (Capstone Research II)

Spring, 2017, enrollment: 5

Spring, 2018, enrollment: 4

Fall, 2018, enrollment: 1

Spring, 2019, enrollment: 3

Spring, 2020, enrollment: 2

Spring, 2021, enrollment: 1

Spring, 2022, enrollment: 3

HESP 889, HESP 898, and NACS 898 (Candidacy Research)

Spring, 2017, enrollment: 2

Fall, 2017, enrollment: 2

Spring, 2018, enrollment: 2

Fall, 2018, enrollment: 2

Spring, 2019, enrollment: 1

Fall, 2019, enrollment: 3

Spring, 2020, enrollment: 2

Fall, 2020, enrollment: 2

HESP 899 and NACS 899 (Dissertation Research)

Spring, 2017, enrollment: 2

Summer, 2017, enrollment: 1

Fall, 2018, enrollment: 1

Spring, 2019, enrollment: 1

Fall, 2019, enrollment: 2

Spring, 2020, enrollment: 3

Fall, 2020, enrollment: 3

Spring, 2021, enrollment: 3

Fall, 2021, enrollment: 2

Spring, 2022, enrollment: 2

Fall, 2022, enrollment: 1

Spring, 2023, enrollment: 1

III.B.1. Major Programs Established

Established the Doctoral Program in Clinical Audiology (CAUD) in 2002.

III.B.4. Software, Applications, Online Education, etc.

Developed extensive websites on CANVAS (2013-2014): HESP 311, HESP 606, and HESP 636

III.B.6. Course or Curriculum Development

Developed and taught HESP 636, Geriatric Audiology (2006 – present)

Revised the CAUD curriculum substantially (2014)

III.B.8. Other

Developed Education Partnership Agreement for graduate student training, with Walter Reed National Military Medical Center (2015)

III.C. Advising: Research or Clinical

III.C.1. Undergraduate: (last 5 years)

Research Assistants Mentored with a non-credit option: Maryland Center for Undergraduate Research, or other sponsors

Spring 2017 (1) Summer 2017 (1) Fall 2018 (2)
Spring 2019 (1)

Undergraduate Summer Research Supervision (undergraduates)

Kia Griffith: BSOS Summer Research Initiative Program, 2012 (co-mentor)

Maya Freund: BSOS Summer Scholar, 2014

Casey Gaskins: BSOS Summer Research Initiative Program, 2014 (co-mentor)

III.C.2. Master's: M.A. Thesis Primary Advisor

LaGuinn Parsons Sherlock, "*Performance of elderly hearing-impaired people with a multiband signal processing hearing aid*" August, 1991

Sarah Hargus, "*Accuracy of speech intelligibility index predictions for noise-masked young normal listeners and for elderly hearing impaired listeners*" December, 1993

Leslie McCreight, "*Effects of diabetes mellitus on electrophysiologic measures of auditory function*" December, 1999

III.C.3. Doctoral Dissertation Primary Advisor (Ph.D.)

Patricia Thompson, "*Effects of noise bandwidth, frequency resolution, temporal resolution, and speech enhancement techniques on speech perception in the elderly*" May, 1996

Susan Phillips, "*Frequency and temporal resolution in elderly listeners with good and poor word recognition,*" August, 1996

Ting Zhang (Co-chair), "*The benefits of acoustic input to combined electric and contralateral acoustic hearing,*" August, 2008

Kelly King (Co-chair) "*Characterizing the Auditory Phenotype of Niemann-Pick, Type C Disease: A Comparative Examination of Humans and Mice,*" May, 2011

Will Bologna (co-mentor with Judy Dubno, Med. U. of South Carolina). "*Age Effects on Perceptual Organization of Speech in Realistic Environments,*" May, 2017

Jessica Wess (co-mentor with Josh Bernstein, Walter Reed) "*The role of frequency, timing and level distortion on binaural processing simulations of cochlear implant users with single-sided deafness,*" August, 2017.

Maureen Shader (co-mentor with Matt Goupell) "*Auditory temporal processing ability in cochlear-implant users: the effects of age and peripheral neural survival,*" August, 2019

Julie Cohen (co-mentor with Douglas Brungart) “*Effects of talker familiarity and speech understanding and cognitive effort in complex listening environments,*” November, 2020

Jaclyn Schurman (co-mentor with Douglas Brungart) “*Effect of age, hearing loss, and cognition on discourse comprehension and speech intelligibility performance,*” December, 2020

Rebecca Bieber (co-mentor with Samira Anderson) “*Influence of supportive context and stimulus variability on rapid adaptation to non-native speech,*” July, 2021

Anna Tinnemore (co-mentor with Matt Goupell – current)

Doctoral Dissertation Primary Advisor (Au.D.)

Kim Laws Block, “*Processing of speech in complex listening environments by individuals with obscure auditory dysfunction,*” May, 2006

Alyson Segar, “*Personality type and self-perception of hearing aid benefit,*” August, 2006

Michele Spencer, “*Reliability and Test Environment of the SCAN-A With Children Ages 12-18,*” August, 2007

Erin McAlister, “*Investigation of frequency characteristics of DPOAEs using suppressors of varying bandwidth and center frequency presented in a forward masking paradigm,*” August, 2007

Julia Callahan, “*The benefits of closed captioning for elderly hearing aid users,*” August, 2007

Christine Gmitter, “*Age-related effects on the Threshold Equalizing Noise (TEN) Test,*” May, 2008

Barbara Libbin, “*Temporary changes in auditory function among college marching band members,*” May, 2008

Justine Cannavo, “*Predicting the loudness discomfort level from the acoustic reflex threshold and growth function,*” August, 2008

Jessica Barrett, “*Developing an evidence-based referral protocol for early diagnosis of vestibular schwannomas,*” August, 2008

Doctoral Capstone Research Project Primary Advisor (Au.D.)

III.E. Advising: Other Than Research Direction

ii. Graduate – Academic Advising for Doctor of Audiology (Au.D.) Students

Fall, 2017 – Spring, 2018 (8)

Fall, 2018 – Spring, 2019 (13)

Fall, 2019 – Spring, 2020 (10)

Fall, 2020 – Spring, 2021 (9)

Fall, 2022 – Spring, 2022 (6)

III.G. Contribution to Learning Outcomes Assessment

Developed original and revised LOAs for Doctoral Program in Clinical Audiology

Chair the Committee to conduct LOAs for CAUD students annually

Prepare and submit LOA reports to BSOS Dean's Office and Graduate School

III.I. Teaching Awards and Other Special Recognition

Faculty Award for Instructional Improvement, University of Maryland, 1982-83

BSOS Teaching Excellence Award, awarded, 1992-1993.

Faculty Award for Instructional Improvement, University of Maryland, 1998-99

Faculty Mentor Award; Philip Merrill Presidential Scholars Program, University of Maryland, 2009

Teaching Excellence Award, College of Behavioral and Social Sciences, 2012-2013.

Distinguished Scholar-Teacher Award, University of Maryland, 2017-2018.

Dean's Medal, College of Behavioral and Social Sciences (2023)

IV. Service and Outreach

IV.A. Editorships, Editorial Boards, and Reviewing Activities

IV.A.1. Editorships

1. Editorial Associate, *Journal of the American Academy of Audiology*, (1989 - 1998).
2. Associate Editor (Hearing Section), *Journal Speech and Hearing Research* (1992-1995).
3. Guest Editor, Special Issue on Hearing and Aging, *Journal of the American Academy of Audiology*, 7, June, 1996.
4. Editor, *Journal of Speech and Hearing Research*, Hearing Section, (1996 - 1998).
5. Past Editor, *Journal of Speech, Language, and Hearing Research*, Hearing Section, (1999-2001)
6. Associate Editor, *The MIT Encyclopedia of Communication Disorders* (2003). Editor: Ray D. Kent; Publisher: The MIT Press, Cambridge, MA
7. Guest Editor, *Journal of Speech, Language, and Hearing Research*, Fall, 2011.
8. Associate Editor, *Journal of the Acoustical Society of America – Express Letters* (2011 –2014.)

IV.A.2. Reviewing Activities for Journals and Presses

1. *Ear and Hearing*, (Reviewer: 1984, 1985, 1988; Editorial Consultant: 1989 - present).
2. *Journal of the Acoustical Society of America*, (Reviewer: 1986 - present).
3. *Journal of Speech and Hearing Research* (Editorial Consultant: 1987 - 1992).
4. *Journal of Speech, Language, and Hearing Research* (Reviewer: 1999 - present).
5. *International Journal of Audiology* (Reviewer: 2002 – present).
6. *Hearing Research* (Reviewer: 2003 – present).
7. Reviewer also for *Journal of Gerontology*, *American Journal of Audiology*, *Psychology and Aging*, *Journal of Experimental Psychology*, *IEEE Transactions in Speech and Audio*, *Hearing Research*, *Journal of Rehabilitation Research and Development*, *Attention, Perception, and Psychophysics*.

IV.A.4 Reviewing Activities for Agencies and Foundations

1. National Science Foundation (Reviewer: 1986, 1987, 1991, 1994).
2. American Speech-Language-Hearing Foundation Psi Iota Xi postdoctoral research awards (Panel Reviewer: 1990, 1992).
3. National Institutes of Health - National Institute on Aging (Member, Site Visit Team, Program Project Grant from the National Technical Institute for the Deaf, June 4-5, 1990).
4. Department of Health and Human Services, Allied Health Special Project Grants (Technical Reviewer, 1992).
5. National Institutes of Health, Human Development and Aging Study Section (Special Reviewer, October, 1992).
6. National Institute on Deafness and Other Communication Disorders, NIH (Member, Special Review Committee June, 1992).

7. National Institutes of Health - National Institute on Deafness and Other Communication Disorders (Member, Site Visit Team, Iowa Cochlear Implant Program Center Grant, Jan, 1995).
8. National Institute on Deafness and Other Communication Disorders, NIH (Member, Communication Disorders Review Committee, June, 1995 - June, 1999).
9. National Institute on Deafness and Other Communication Disorders, NIH (Member, Special Emphasis Panel, December, 1996).
10. National Institute on Deafness and Other Communication Disorders, NIH (Chair, Special Emphasis Panel, September, 2001).
11. Hearing Science Study Section (IFCN-6), Division of Research Grants, National Institutes of Health, March, 2003.
12. Cognition and Perception Study Section (formerly BBBP-4), Division of Research Grants, National Institutes of Health, February, 2004.
13. Small Business Innovative Research Grants (SBIR), Division of Research Grants, National Institutes of Health, July, 2004.
14. Veterans Administration Research Grants, review June 16, 2005.
15. National Institute on Deafness and Other Communication Disorders, NIH, Special Emphasis Panel, T35 Short-term institutional training grant applications for pre-doctoral training in hearing/auditory research, (October 3, 2006).
16. National Institutes of Health, Special Emphasis Panel, Dev-2 Study Section, Biology of Development and Aging, SBIR and STTR grant applications (December 6-8, 2006).
17. National Institute on Deafness and Other Communication Disorders, NIH, Special Emphasis Panel, Loan Repayment Program Review (May 7-8, 2007).
18. National Institute on Deafness and Other Communication Disorders, NIH, Special Emphasis Panel, T35 Short-term institutional training grants for pre-doctoral training in hearing auditory research (September 20, 2007).
19. National Eye Institute, NIH, Special Emphasis Panel, Vision Study Section (R01 and R21 applications) (June 4, 2008).
20. National Institutes of Health, Special Emphasis Panel/Scientific Review Group 2009/10 ZRG1 ETTN-H, Improving Interventions for Communication Disorders (NIDCD). (June 9, 2009).
21. National Institutes of Health, Scientific Review Group ZRG1 IFCN-A 58 R, Challenge Grants Panel 8 (June 5, 2009).
22. National Institutes of Health, Scientific Review Group, RC4, Recovery Act Limited Competition: Director's Opportunity for Research in Five Thematic Areas (May, 2010).
23. National Institutes of Health, Scientific Review Group, Fogarty International Research Collaboration in Behavioral and Social Sciences, R03 (March, 2011).
24. National Institutes of Health, Scientific Review Group, Scientific Review Group: ZDC1 SRB-R-34, Loan Repayment Review Meeting (April, 2011).
25. National Institute on Deafness and Other Communication Disorders, NIH, Special Emphasis Panel, T35 and T32 training grants in Communication Sciences and Disorders (Oct 25, 2011).
26. National Institutes of Health, Scientific Review Group ZRG1 IFCN-M (51) R PAR-10-112: Hearing Health Care Outcomes (May 24, 2012).

27. National Institutes of Health, Center for Scientific Review, AUD (Auditory) Study Section, regular member, 2012 – 2016.
28. National Institutes of Health, NDCD, Advisory Council, regular member, 2017 – 2021.
29. National Institutes of Health, NDCD, Sub-committee on Diversity and Inclusion, 2020-2021.
30. Reviewer, National Academies of Sciences, Engineering, and Medicine, Report on Evaluating Hearing Loss for Individuals with Cochlear Implants, 2020-2021.
31. National Institutes of Health, NIDCD, Special Emphasis Panel, R25 grants (November 2022)

IV.B. Committees, Professional & Campus Service

IV.B.1. Campus Service – Department (emphasis on last five years)

1. Human Relations Committee 1989 - present
2. Admissions Committee 2004 – 2012; 2013 - 2017
3. Departmental Merit Review 1996 - 2012 (Co-Chair)
4. Faculty Liaison to IRB 2005 - 2022
5. HESP Strategic Plan Committee 2008
6. Member, Periodic Review Committee,
Yasmeen Shah, Assistant Professor 2008
7. Chair, Initial Review Committee,
Monita Chatterjee, Assistant Professor 2008
8. Chair, Initial Review Committee,
Yasmeen Shah, Assistant Professor 2010
9. Chair, Search Committee, Audiology Faculty Member 2010-2011
10. Member, Search Committee, HESP Faculty Member 2010-2011
11. Chair, Search Committee, Audiology Faculty Member 2011 – 2012
12. Member, Search Committee, HESP Faculty Member 2011-2012
13. Chair, APT Review Committee, Emerita Status for
Froma Roth 2011
14. Chair, Initial Review Committee,
Rochelle Newman, Associate Professor 2012-2013
15. Member, Search Committee, Chair for Dept. HESP 2012-2013; 2013-2014
16. Member, Appointment and Promotion Review
Committee for non tenure-track Clinical Faculty
(M. McCabe, V. Sisskin, C. Worthington) 2013-2014
17. Chair, AUD Committee 2002 – present
18. Chair, Search Committee, Assist. Prof. in Audiology 2014 – 2015
19. Chair, Pre-tenure Review Committee,
Dr. Matthew Goupell, Assistant Professor 2014
20. Member, Pre-tenure Review Committee,
Dr. Yi-Ting Huang 2015
21. Chair, APT Review Committee,
Matthew Goupell, Assistant Professor 2015

- | | |
|---|-----------|
| 22. Member, Dept. Review Committee, Dr. Jan Edwards,
Professor | 2015-2016 |
| 23. Member, Search Committee,
Director of Audiologic Services, HESP | 2015-2016 |
| 24. Chair, APT Review Committee, Emerita Status for
Margaret McCabe | 2016 |
| 25. Chair, APT Review Committee,
Dr. Samira Anderson, Assistant Professor | 2017 |
| 26. Member, APT Review Committee,
Dr. Jared Novick | 2018 |
| 27. Member, periodic Review Committee,
Dr. Yasmeen Faroqi-Shah | 2019 |
| 28. Chair, Promotion Review Committee,
Dr. Matthew Goupell, Associate Professor | 2020 |
| 29. Member, Promotion Review Committee,
Dr. Samira Anderson, Associate Professor | 2022 |

IV.B.2.College

- | | |
|---|----------------------------|
| 1. Provost's Advisory Committee on the
Dept. of Hearing and Speech Sciences | Fall, 1983 |
| 2. Departmental Representative to BSOS
Equity Review Committee | 1987 |
| 3. Lefrak Hall Security Committee | 1987 - 1991 |
| 4. Academic Council | 1987 - 1989 |
| 5. Executive Committee | 1987 - 1989 |
| 6. Scholarship Incentive Review Committee | 1988, 1989 |
| 7. Committee on Undergraduate Requirements | 1989 - 1990 |
| 8. Salary Equity Review Committee | 1989 |
| 9. Faculty Advisory Committee on Cost Containment | 1990 |
| 10. Computer Lab Faculty Advisory Committee | 1992 - 1998 |
| 11. Academic Planning Committee | 1992 - 1997 |
| 12. Committee for Teaching Excellence | 1994 |
| 13. Psychology Review Committee | 1995 - 1997 |
| 14. Promotion and Tenure Committee | 1996 – 1998 (Chair: 97-98) |
| 15. Advisory Committee on Information Technology | 1997 – 1998 |
| 16. Review Committee, Office of Academic and
Computing Services (OACS) | 1997 - 1998 |
| 17. Review Committee, Chair of Dept. of Psychology | 2000 – 2001 |
| 18. Review Committee, Chair of the Dept. of Hearing
and Speech Sciences (HESP) | 2006 |
| 19. Appointment, Promotion and Tenure Committee | 2010-2012 (Chair: 11-12) |
| 20. ADVANCE Professor for BSOS | 2012-2013 |

- | | | |
|-----|---|------------|
| 21. | BSOS Distinguished Dissertation Award Review
Committee | 2014-2015 |
| 22. | Council of Directors of Graduate Studies | 2014- 2017 |

IV.B.3.University

- | | | |
|-----|---|----------------------|
| 1. | IRB for Human Subjects Research | 1982 - 1985 |
| 2. | Faculty Senate, Alternate | 1987 – 1990 |
| 3. | Committee of V.P.of Academic Affairs and
Dean of BSOS re: the Future of the
Hearing and Speech Sciences Dept. | 1991 |
| 4. | Member, Graduate School Research
Policy Committee | 1998 - 1999 |
| 5. | Graduate Council Research Committee
Instructional Improvement Grant Review
Team (Office of Undergraduate Studies) | 1998 - 1999 |
| 6. | Search Committee, Dean of Life Sciences | 1999 – 2000 |
| 7. | Campus Appeals Committee, Promotion and
Tenure decisions (Advisory to Provost) | 2000 – 2001 |
| 8. | Search Committee, Dean of the College of
Behavioral and Social Sciences | 2002-2003 |
| 9. | Appointment, Promotion, and Tenure Committee | 2005 – 2008 |
| 10. | Inquiry Committee for Research Integrity,
Provost’s Office (Chair) | 2007 |
| 11. | Director, Admissions Committee, Neuroscience
and Cognitive Science (NACS) Program | 2007-2010 |
| 12. | Executive Committee, NACS | 2007-2010; 2013-2015 |
| 13. | General Research Board (GRB) | 2008-2009 |
| 14. | Research and Scholarship Awards Committee | 2009-2013 |
| 15. | Search Committee, Dean of the College of
Behavioral and Social Sciences | 2009 |
| 16. | Academic Planning Advisory Committee (APAC) | 2009 - 2011 |
| 17. | Member, University Research Council | 2012 – 2014 |
| 18. | UMD-ADVANCE Committee to review service
Commitments of tenure-track faculty | 2013-2014 |
| 19. | Conference Organizer, Joint Workshop of UMD
and NIDCD (held at NIDCD) | 2014 (fall) |
| 20. | Campus Appeals Committee, Promotion and
Tenure decisions (Advisory to Provost) | 2015 – 2016 |
| 21. | Conference Organizer, Joint Workshop at UMD
And NIDCD (held at UMD) | 2016 (fall) |
| 22. | Distinguished Scholar-Teacher Selection
Committee | 2017-2018 |

- | | | |
|-----|---|-------------|
| 23. | UMD Task force for re-opening human subjects
Research on campus | 2020 |
| 24. | Committee to review FAMILE applications | 2022 |
| 25. | Committee to review Grand Challenge grants | 2022 |
| 26. | Conference Organizer, Joint Workshop at UMD
And NIDCD (held at UMD) | 2022 (fall) |
| 27. | Conference Organizer, Translational Research
Workshop (UMD-UMB, held in Baltimore) | 2022 (fall) |

IV.B.4.Special Administrative Assignments (HESP Dept)

- | | | |
|----|---|--------------|
| 1. | Co-coordinator of Graduate Student Orientation | 1983-present |
| 2. | Leader of the initiative to seek approval for the
Doctoral Program in Clinical Audiology | 2001 – 2002 |

IV.B.5.Other

- | | | |
|----|--|--------------|
| 1. | Participant in Leadership Education and
Administrative Development (LEAD) Program,
University of Maryland, College Park, | Fall, 2004 |
| 2. | Participant in LEAD II Program, UMCP | Spring, 2005 |

IV.B.6. Inter-institutional and Regional

1. Developed the “Education Partnership Agreement” with Walter Reed National Military Medical Center, 2013-2016 (approved 2016).

IV.B.7.Offices and Committee Memberships - Professional

1. Member, Operations Task Force, American Speech-Language-Hearing Association Convention, Washington, DC, 1985.
2. Member, American Speech-Language-Hearing Association Committee on Audiologic Evaluation, 1985-86.
3. Advisor, U.S. Congress Office of Technology Assessment, Background Paper: "Hearing Impairment and Elderly People," 1986.
4. Member, American Speech-Language-Hearing Association Committee on Audiologic Standards, 1987 - 1991.
5. Member, American Speech-Language-Hearing Association Task Force on the National Institutes of Health (appointed by the Executive Board), 1988 - 1994.
6. Member, Advisory Board, American Academy of Audiology (appointed by Executive Board), 1989-1990.
7. Member, Board of Representatives, American Academy of Audiology (appointed by Executive Board), 1991 -1993.
8. Member, Coordinating Committee, Research and Technology Division, American Speech-Language-Hearing Association, 1991 - 1994.

9. Member, Convention Program Committee, American Speech-Language-Hearing Association, 1991 - 1992, 1994 - 1995, 2000 - 2001.
10. Member, Student Research Forum, Convention Program Committee, American Academy of Audiology, 1998 - 2001.
11. Member, Research Committee, American Academy of Audiology, 1998-2002.
12. Member, Research Committee, American Academy of Audiology, 2004 – 2005.
13. Member, Program Planning Committee, NCRAR Conference, 2004-2005.
14. Member, Program Planning Committee, Aging and Speech Communication Research Conference, 2004-2005; 2006 – 2007; 2008 – 2009, 2010-2011, 2012-2013, 2014-2015.
15. Member, Patient Advocacy Committee, Association for Research in Otolaryngology, 2006 - 2009.
16. Member, Program Planning Committee, Audiology Research Conference, American Academy of Audiology, 2008 – 2010.
17. Voting Member (Alternate) on American Standards Association Auditory Standards Committees, representing the American Academy of Audiology, 2009 – 2013.
18. Member, Technical Program Organizing Committee, Acoustical Soc. of America, 2009- 2010.
19. Member, Task Force on Central Auditory Processing in Elderly Adults, American Academy of Audiology, 2009 – 2012.
20. Consultant, AARP Hearing Care Awareness and Education Advisory Board, 2010 – 2014.
21. External Advisory Committee, NIDCD-funded K23 Award, Frank Lin, M.D., Ph.D. (Johns Hopkins University), 2010 - present
22. Reviewer, American Speech-Language-Hearing Association, Research Travel Awards, 2011.
23. Reviewer, American Academy of Audiology Foundation, Empowering People Scholarship Awards, 2014.
24. Invited participant, NSF Workshop on Speech Technology Needs, May, 2015.
25. Member, Committee to review New Investigators Research Grants, ASHA, August, 2017.
26. Invited participant, ASHA Pathways to Success, mentor to Bruna Mussoi, June, 2018.

IV.B.8. Leadership Roles in Meetings and Conferences

1. Chair, American Speech-Language-Hearing Association Committee on Audiologic Evaluation, 1986-1991.
2. Chair, Task Force on Hearing Loss and the Elderly, American Academy of Audiology (appointed by Executive Committee), 1990-1991.
3. Co-Chair, Student Research Forum, Convention Program Committee, American Academy of Audiology, 1992-1993.
4. Secretary/Treasurer, Board of Directors, American Academy of Audiology Foundation for the Advancement of Audiology and Hearing Science, 2003 – 2005.
5. Chair, Finance Committee, American Academy of Audiology Foundation Board, 2003–05.

IV.B.9. Other Non-University Committees, Memberships, Panels, etc.

1. Member, Committee on Disability Determination for Individuals with Hearing Impairments, Board on Behavioral, Cognitive, and Sensory Sciences, Division of Behavioral and Social Sciences and Education, National Research Council, National Acad. of Sci., 2002 - 2004.
2. Member, Committee on Medical Evaluation of Veterans for Disability Compensation, Institute of Medicine, The National Academies, 2006 – 2007.
3. External Review Committee, Frank Lin, M.D., Ph.D., Johns Hopkins University, NIDCD K23 award.
4. External Review Committee, State University of New York, State Education Department, Review of Proposed M.S. Degree Program in Audiology Sciences at the University of Buffalo, 2017.
5. External Review Committee, Department of Speech and Hearing Sciences, University of Illinois, 2021.

IV.B.10. Other

1. Invited Participant, Workshop on Sensory Impairments and Aging - United States and Italy. Sponsored by the U.S. National Institute on Aging (NIH), the U.S. National Center for Health Statistics (NIH) and the Italian Research Council. December 3-4, 1990.
2. Invited Participant, Workshop on Research Initiative on IP-Based Relay Technologies. Sponsored by the Federal Communications Commission (FCC) and the National Institute on Aging (NIA) of the NIH. February 18, 2014.

IV.C. External Service and Consulting

IV.C.2. International Activities

1. Medical Research Council, UK, guest reviewer (March, 2009)
2. Israel Science Foundation, guest reviewer (March, 2010; March, 2014).
3. External Examiner, Dissertation of Meital Avivi, University of Toronto (December, 2014)
4. External Reviewer, Freiburg Institute for Advanced Studies, Germany (November, 2015)
5. External Reviewer, Medical Research Council –UK, guest reviewer (March, 2021)
6. Medical Research Council, UK, guest reviewer (Spring, 2021)

IV.C.5. Consultancies

1. Qualified and testified as an expert witness, Court of Claims of New York, July 16, 2003.
2. New Jersey Commission on Higher Education, review of Montclair State University petition for Audiology Doctoral Program, June 20-22, 2005.
3. Qualified and testified as an expert witness, Federal District Court, January 3, 2012.
4. Autifony Therapeutics, Inc. 2013 - 2014.
5. Congressional Research Service, Library of Congress, consulted on wearable hearing aids to inform congressional policy, May, 2019.

IV.E. Media Contributions

1. Interviewed regarding telephone hearing screening procedures. Published in L.A. Times, May 1, 1990.
2. Interviewed on WGTS public radio station, "Generations Together," on Hearing and the Baltimore Longitudinal Study on Aging, February 22, 1995.
3. Interviewed for "Men's Health Magazine" on noise-induced hearing loss (May, 1998 issue).
4. Interviewed for "Advance" Magazine on age-related hearing loss (Spring, 1999 issue).
5. Invited participant, "Impact of Au.D. Programs on the Training of Researchers in Audiology," National Institute on Deafness and Other Communication Disorders, April 2001.
6. Interviewed for "Reader's Digest" on age-related hearing loss (June, 2002 issue).
7. Featured in ASHA promotional film for careers in Hearing and Speech Sciences (2002)
8. Provided data and background research for "Scream Cuisine," article appeared in the Washington Post (written by Stefanie Weiss), April, 2003.
9. Interviewed for *Advance* Magazine, May, 2009.
10. Interviewed for National Public Radio by Patti Neighmond, April, 2011.
11. Interviewed for *Community Magazine* article: "Are loud parties destroying our hearing?" Dec, 2012
12. Interviewed for *Neurology Today* article: "Hearing loss linked with cognitive decline" March, 2013
13. Interviewed for ASHA Podcast entitled, "Untreated Hearing Loss – Identify the Signs" July, 2013
14. Interviewed for *Hearing Health Magazine*, article on improving speech intelligibility for the hard of hearing, January, 2018 (Published Spring, 2018).
15. Interviewed for *Brain and Life Magazine*, article on hearing and brain health, August, 2018.
16. Interviewed for *next avenue* Online Magazine, article entitled, "When auditory processing disorder keeps you isolated," November, 2022.

IV.F. Community and Other Service.

1. Member, Noise Control Advisory Board, Montgomery County 1998 – 2006
