How to Register for a Faculty Lab

****Before registering for HESP499, you must receive departmental permission. To remove your registration block, have your professor email the undergraduate advisor, Kate Skinker, with your UID, the professor's section number, and the number of credits.****

Course: All students should register for the course HESP499

Section: Section numbers are determined by the professor in which you are doing your laboratory work. You can get this number through your professor or the undergraduate advisor.

Grading Method: All students need to register for PASS/FAIL. As an undergraduate research assistant, you receive credits for your work, but NOT a letter grade.

Credits: The number of credits is determined by the amount of hours spent working in the lab. Every 1 credit is worth 3 hours of lab work. Therefore, 3 credits of lab work would be equivalent to 9 hours per week. You may take NO MORE THAN 6 CREDITS of HESP499 throughout your undergraduate career.

SAMPLE REGISTRATION:

Name: Wisman, Lauren Ruth **Major:** CAUD - CLIN AUD
College: BSOS **Current Credits:** Summer I 0.00 **Cumulative Credits:** 23.00
