Karin E. Young Memorial Endowment for Hearing and Speech Sciences
Application for Award

The Karin E. Young Memorial Endowment is a scholarship award for students majoring in Hearing and Speech Sciences who intend to pursue a career in audiology. This will be an annual award that is specifically intended for students currently in their Junior Year, or those who will be graduating in December, 2017, May, 2018 or August, 2018. Further information regarding Karin and her legacy to UMD can be found at http://www.bsos.umd.edu/?q=alumni-giving/karin-e-young-memorial

To be considered for this year’s award, please print and complete this application form and attach 1) a brief (no more than 500 words) essay about yourself and your interest in audiology, and 2) a current resume and a copy of your unofficial transcript.

Name___________________________________________________________

Local Address____________________________________________________

Local Telephone__________________________________________________

Permanent Address_______________________________________________

Permanent Telephone_____________________________________________

E-mail___________________________________________________________
